PLAYMAIS® EDULINE SMART KIDS ABOVE & BELOW

Inhalt | content | contenu

Anleitungen und 32 A3-Bögen zum Bekleben
Instructions and 32 A3 sheets for gluing
Instructions et 32 feuilles A3 à coller

Mit PlayMais® EDULINE SMART KIDS ABOVE & BELOW entdecken Kinder ab drei Jahren die spannende Welt, die unter der Erde liegt: den Fuchsbau, die Höhle, das Abwassersystem, das gesunkene Schiff und viele aufregende Dinge mehr.

With PlayMais® EDULINE SMART KIDS ABOVE & BELOW, children from the age of three discover the exciting world that lies beneath the earth: the fox den, the cave, the sewage system, the sunken ship and many exciting things more.

Avec PlayMais® EDULINE SMART KIDS ABOVE & BELOW, les enfants de trois ans et plus découvrent le monde passionnant qui se cache sous terre : le terrier du renard, la grotte, le système d'égouts, le bateau coulé et bien d'autres choses passionnantes.

Die Magie von PlayMais® The magic of PlayMais®

🇩🇪 Einfach vielseitig.

Kreative Kinder jeden Alters lieben PlayMais®. Die Gestaltungsmöglichkeiten sind nahezu unbegrenzt: Kinder entwerfen mit PlayMais® MOSAIC zweidimensionale Modelle, indem sie es auf Papier kleben. Mit PlayMais® CLASSIC bauen sie drei-dimensionale Figuren nach Anleitung oder lassen ihrer Fantasie einfach freien Lauf.

🇬🇧 For all ages!

The creative possibilities are nearly unlimited and creative children of every age love PlayMais®. They design 2-D models by sticking PlayMais® MOSAIC on cards. They are also able to build 3-D figurines with PlayMais® CLASSIC following the instructions or their imagination.

🇫🇷 Pour tous les âges !

PlayMais® propose des activités de création à niveau progressif pour développer la motricité et la créativité des enfants. Celles-ci existent en version PlayMais® Classic ou en version PlayMais® Mosaic. Les enfants créent des sujets simples et colorés, ils décochent des cartes modèles puis réalisent des sujets et formes plus complexes en volume. PlayMais® permet à l'enfant d'explorer différents univers, de l'imaginaire à l'éducatif, en développant la précision de son geste et sa créativité.

Verantwortungsvoller Handel mit nachhaltigen Produkten.

Bereits in der Produktion werden die Rohstoffe für PlayMais® mit größter Sorgfalt und Expertise ausgewählt. Produziert wird mit 100% grünem Strom aus erneuerbaren Energien, der aus unternehmenseigenen Biogas- und Photovoltaikanlagen stammt. PlayMais® kann daher zu Recht von sich behaupten, über den gesamten Produktlebenszyklus klimapositiv zu sein.

Responsible retail with sustainable products.

Right from the production stage the raw materials for PlayMais® are carefully selected by our experts. The product is made using 100% green electricity from renewable energies, which come from the company's own biogas and photovoltaic plants. PlayMais® can therefore rightly claim to be climate-positive throughout its entire product life cycle.

Une activité responsable avec des produits durables.

Dès le stade de la production, les matières premières sont sélectionnées avec le plus grand soin et la plus grande expertise pour PlayMais®. La fabrication s'opère avec une électricité verte à 100 %, issue d'énergies renouvelables provenant des propres installations de biogaz et panneaux photovoltaïques de l'entreprise. L'entreprise PlayMais® peut donc affirmer, à juste titre, qu'elle a un impact positif sur le climat durant tout le cycle de vie du produit.
