Components Co., Ltd.

RC MICRO RC MICROELECTRÓNICA S.L.

Welcome to Sherwood Components Co., Ltd

Sherwood Components Co.,Ltd. is part of the Sherwood Group who founded in 1998. We supplied antennas, RF coaxial connectors and cable assemblies to the Telecommunication and Data Communications since 2006. The company soon expanded with its unique blend of Taiwan and China manufacturing and together with our own office in Taipei Taiwan.

Over 20 years' experience, high or low volume products can be supplied by our excellent quality standards, ISO qualified and 100% testing policy. RoHS & REACH, UL & CE implement have been in our quality system.

Our capability is to work with our customers at the design stage of new projects where we can advise on sourcing and economic manufacturing.

We can also tool and manufacture OEM or ODM products, such as CNC metal parts and plastic injection parts.
